

TITLE I PARENTAL INVOLVEMENT PLAN

PARSONS ELEMENTARY SCHOOL

2017-18

I. SCHOOL PARENTAL INVOLVEMENT

- A. This school parental involvement plan has been developed with, agreed upon, and distributed to parents of participating children at the annual parental involvement meeting to be held in September. This plan will be reviewed annually and shall be updated as appropriate to meet the changing needs of parents and the school.
- B. Comments by parents of participating children concerning dissatisfaction with the LEA plan shall be attached to the LEA plan when submitted to the State.

II. INVOLVEMENT OBJECTIVES

- A. An annual meeting to which all parents of participating students shall be invited and encouraged to attend will be held in the fall. At this meeting this plan, the school-parent compact, legal requirements, and the parent's rights under ESSA (Every Student Succeeds Act) will be explained. Parents will review the Parent Involvement Plan and the School-Parent Compact with suggestions for additional items to be included or omitted as deemed necessary for the current school year.
- B. Meetings will be held at Parsons Elementary School at 4:30 p.m. during the month of September on a night established by the school principal.
- C. A parent, principal and supervisor committee will be formed to work on the Title I program goals.
- D. At the parent meeting, parents will be informed about the Schoolwide Program and how it works. The Title I program at PES is a schoolwide program which means that students in the entire school benefit from the different programs which have been acquired with Title I Funds.
- E. Parents will be advised of student progress through report cards, P.A.I.D. (Parents Are Informed Daily) folders, PTO meetings, and at Parent-Teacher Conferences held on **September 14th** and **February 15th** of the 2017-18 school year. State academic standards used by PES may be accessed and reviewed at www.state.tn.us/education. PES has an open door policy. After checking in with the office, parents are welcome to observe in the classroom.
- F. At the beginning of the school year, teachers will send home copies of grading policies and conference schedules. Each student will receive a student

handbook including school-related information and documents required under federal mandates.

- G. Notes or phone calls that are received are returned that day or as soon as the parent can be reached by phone, letter, or conference. Parental requests for meetings with teachers will be scheduled during teacher planning times or after school.
- H. Parent meetings, including Family Reading Night, will be announced through fliers sent home with each child to encourage attendance and on the school system website at www.decalurcountyschools.org.

III. BUILDING PARENTAL INVOLVEMENT

- A. Videos, booklets, and other materials are available for parent use through the Family Resource Program. For more information on any of these materials, contact Amy Clenney at the Board of Education Office in Decaturville.
